

## Kearsney Parks: April 2015 consultation summary

We wanted to find out what people love about the parks, why they use them, and what activities they would like to see in the future. The results will help to shape our Conservation Plan and Activity Plan.

We held the Kearsney Parks Activity Day on 16 April from 10am to 4pm and asked attendees to use stickers and post it notes to record their views on large posters. An online survey which asked the same questions was open from 16 April to 4 May. Both were advertised onsite, on our website, on twitter and through our email mailing list. Around 1000 people attended the activity day with around 200-300 people visiting our project stand, 93 people responded online and 8 on paper.

I worked in both parks in the early seventies, meeting many interesting regular users of the parks

I played in the river section of the Abbey grounds during the war and I reviewed, for the newspaper, the Shakespearean play on the open air stage.

We held my sons second birthday there in October 2014. We started near the BBQ area with food and games then had a treasure hunt to the park. It was perfect for our theme of Ben and Holly's little kingdom (elves and fairies)

Many happy memories of the area, as a child myself, then as a parent and now a grandparent

Every summer holidays there is about 20 of the set a date aside that have grown up together but all get together all in one go as this is always possible take our picnics and meet up with all our children which is about 50 and spend the day together

We celebrated my son's 1st Birthday with a teddy bears' picnic at Kearsney, and it was perfect. The grounds staff were so polite and helpful and it was a truly amazing day!

I had my wedding photos taken here; it's a very beautiful place to chill out, relax and for the children to run around

I celebrated my 40th birthday there - there were nearly 60 of us throughout the afternoon with acoustic music and a massive picnic - very relaxed, inclusive afternoon
